

# NATIONAL TRACTOR PARTS DEALER ASSOCIATION

*"Used, Rebuilt and New Agricultural and Industrial Repair Parts"*

## 2025 SCHOLARSHIP APPLICATION

The National Tractor Parts Dealer Association (NTPDA) is very pleased to offer the Scholarship Program again for 2025. This year NTPDA will award 10 trade scholarships and 15 collegiate scholarships. If there are less than 10 trade applicants, the remaining scholarships will go to collegiate applicants. The top two applicants will be awarded \$5,000 each and the remaining scholarships will be \$3,000 each with the sponsoring company contributing \$500 towards the scholarship award per recipient. NTPDA will invoice companies following the selection of the recipients and one check will be sent to the recipient from NTPDA in the full amount following proper documentation\*. The lifetime maximum an applicant may receive a NTPDA scholarship is two. There is a limit of two scholarships awarded per paid membership per year. This includes Regular, Associate and Affiliate members. These scholarships are awarded to deserving students who are NTPDA members, employees of members, or dependents of members or employees. Scholarship applications are open to U.S. and Canadian graduating high school seniors, trade school or college students enrolling full-time (12 or more credit hours) toward a diploma, certificate, or degree at an accredited trade school, college, or university. Completed applications must be accompanied by written verification of affiliation with a NTPDA member company and a Recommendation Letter from someone outside of the sponsoring company or your family.

Scholarship awards are based on academic achievement, extra-curricular/community activities, evidence of leadership, work experience, short- and long-term career goals, and the applicant's overall response to each of the questions on the application. Financial need is not considered in the review process and there is no distinction made on race, religion or gender of the applicant.

The selection process is an extremely difficult one because of the many outstanding applicants each year. Therefore, great care is taken to assure that impartial and unprejudiced choices are made. Applications are sent to the NTPDA office where they are logged in and noted with the date received and assigned a student code. The numbered applications are then sent to the Scholarship Committee and the original kept in the NTPDA office. Based on the criteria above, the committee then 'rank' the applications, choosing the top ranked as the recipients of the scholarships. Their selections are then forwarded to the NTPDA office for announcement to the Association and in the student's local newspaper.

\*Scholarship recipients must provide evidence to the NTPDA office that college registration is complete before scholarship funds are disbursed. Upon receipt of such evidence, the NTPDA will issue a check to the recipient.

***Applications must be complete and received in the NTPDA office by***

Wednesday, March 19, 2025**

## STUDENT CHECKLIST

### *NTPDA Scholarship Application*

- ✓ Are you a NTPDA member, employee of a member, or dependent of a member or member's employee?
- ✓ Are you an U.S. or Canadian graduating high school senior, trade school or college student?
- ✓ Are you, or will you be, enrolling full-time (12 or more credit hours) toward a diploma, certificate, or degree at an accredited trade school, college, or university?
- ✓ Do you claim that you have not received two scholarships from NTPDA?

***If you answer "yes" to all of the above questions, then you qualify to apply for an NTPDA scholarship.***

***One of the most common reasons for a student not being considered to receive a scholarship award is incompleteness of the application.*** In order to assure that each student submits all the necessary information, the NTPDA Scholarship Committee has provided the following checklist. Before sending your application to the NTPDA office, please **take a few minutes to review your application for neatness and completeness.**

- ☐ Completed scholarship application.
  - ☐ Type or print using a pen. Remember, **neatness** is important.
  - ☐ Be sure you have answered **all** questions.
  - ☐ Use additional sheets if necessary to answer questions completely. Attach these to the application.
  - ☐ Be sure to sign and date your application.
- ☐ Submit at least three years of high school and, if applicable, consecutive college academic reports.
- ☐ Written verification of your or your parent's employment with an NTPDA member company. This is usually a letter on company letterhead and signed by the company owner/manager.
- ☐ Recommendation letter from someone outside of the sponsoring business or family.

Once you have completed all of the above, you are ready to send in your application.

Email your completed application to [ntpda@ntpda.com](mailto:ntpda@ntpda.com)
